UNITED STATES AIR FORCE

## MR. ROBERT A. REGAZZI

Mr. Robert A. Regazzi is the Development System Manager (DSM) for the F-15 System Program Office (SPO), Aeronautical Systems Center (ASC), Wright-Patterson AFB OH. He is responsible to the System Program Director regarding all matters concerning the development and acquisition of all F-15 Development Programs. As DSM, he is responsible for the broadest range of decisions regarding the modernization, testing, production, and acquisition of the F-15 for the US Air Force, the Air National Guard/Reserve, and multiple foreign countries. The F-15 SPO manages 19 major programs, executes an annual budget of more than \$500 million, and employs over 148 acquisition professionals.
